PHYS 329 A: Mathematical Methods and Classical Mechanics

Meeting Time: MWF 11:30am - 12:20pm

Location: PAA A110

SLN: 18683

Instructor: Boris Spivak

Catalog Description: Mathematical methods applied to classical mechanics, including Lagrangian mechanics. Prerequisite: minimum grade of 2.0 in PHYS 228. Offered: Sp.

GE Requirements: Natural World (NW)

Credits: 3.0

Status: Active

Section Type: Lecture

Last updated: October 17, 2018 - 9:41pm
