Paths to Graduation

Students take a variety of paths through the physics requirements. A transcript study showed less than 1% of graduates over a four year period followed the “standard path” of 100-level in their first year at UW, 200-level in the second, 300 in the 3rd and 400 in the 4th year. The links from this page are a starting point for developing your graduation plan.

- Typical Offerings by Quarter
- Selected Syllabi

Department of Physics  
University of Washington  
Physics-Astronomy Building, Rm. C121  
Box 351560  
Seattle, WA 98195-1560
