After Hours Student Shop Access

- The student machine shop is a potentially dangerous environment.
- There is risk of serious injury, death, and dismemberment.

Therefore:

Any person requesting a key to the Physics Student Shop, Room B072, or wishing to work in the Physics Student Shop after normal operating hours must:

1. Attend and complete the machine shop training course offered at the Physics Machine Shop and present proof of completion.
2. Have another person present at all times after hours.
3. Wear Protective Eyewear at all times.
4. Have at least one active cell phone available for emergencies.
5. Clean up all work areas when finished and make arrangements to return all checked out tools as soon as possible.
6. Agree to not lend the key to any unauthorized person.

PLEASE NOTE:

Failure to follow the above conditions may result in the loss of student shop privileges.

I have read and agree to abide by the above conditions for student shop access.
